

# **Croydon Camera Club Newsletter – 21 September 2019**

## **Chairman's Viewpoint**

### **Bamber Trophy**

This was an enjoyable evening which produced some worthy winners. Congratulations to Steve Brooker who took home the trophy, as well as Tom Sherrin and Iggy Tavares who submitted images which were awarded a coveted maximum 10 marks. New member Solomon Pesala also deserves special mention. In his first competition, two of his images received certificates. Our thanks go to our judge for the evening, John Nathan ARPS, who provided some excellent feedback.

There is still time to complete the online survey. Anyone who attended the meeting, regardless of whether they participated in the competition, can give their feedback.

Some of the top images from the competition can be seen on the club's Facebook page.

### **Selsdon Camera Club**

It is with great sadness to report that Selsdon Camera Club is winding up its activities. Camera clubs exist to promote friendship and photography. A loss of one is a loss for us all.

## **Other Matters**

### **Interior Photography - 25 September 2019**

In a change to the published programme, local professional photographer Matt Clayton will give us a practical and image rich presentation on interior photography. The material will form part of a course to be given at Central St Martins.

### **DPI Competition Round 1 - 2 October 2019**

Entries are open in PhotoEntry, with a closing date of midnight on 30 September.

### **Volunteers Required**

We are still looking for volunteers who can demonstrate their processing techniques at the first practical evening on 9 October. Even if it is just a few hints or tips, we can all learn something from each other. Similarly, there are vacancies for two volunteers to act as team captains for the "Match-a-PDI" competition. Full details are in last week's newsletter.

Thanks to Peter Boughton, David Newman and Tina Nuthall who have volunteered to be digital projectionists. A training course will be held soon.
