## **Chairman's Viewpoint**

At our last meeting, Paul Mitchell gave an excellent talk "Confessions of a Landscape Photographer". His presentation was supported by a lot of his work from his impressive portfolio and Paul spoke freely about his approach. We had a full hall, with everyone who attended having a thoroughly entertaining and informative evening.

On Saturday, a number of members, many with their partners, met up for our annual Xmas meal at Lorenzo Restaurant which is a short distance from the club. On behalf of everyone who was there, I would like to thank Wally Conquy for organising the event. Good company and good food ensured the occasion was a success.

On another matter, I will shortly be writing separately about our plans for submission of entries to the Surrey Photographic Association Biennial Exhibition. Over the past few years, our members have received recognition in this prestigious event and had their work featured in the exhibition. Something which I am certain everyone would like to see continue. Be sure to keep an eye on your Inbox over the next day or so. I will also explain more about the arrangements at this week's meeting.
