

# Croydon Camera Club Newsletter – 18 January 2020

## Chairman's Viewpoint

The SurveyMonkey results for the presentation by Ady Kerry this week tell their own story. Almost everyone who responded enjoyed his talk about sports photography. We had a fascinating insight into the approach of a jobbing photographer, much of which was relevant to other types of photography.

A special for our 130<sup>th</sup> anniversary this year will be a Wratten Lecture, when we invite a top photographer to speak and invite members of the public. We are delighted to have Mark Bauer who on **18 March** will give a talk entitled "From Dawn to Dusk - Light in Landscape Photography" in which he explores how best to work with the different quality of light throughout the day. To cover the higher than usual costs involved, entry will be by ticket only at £5 each. Put the date in your diary and invite friends and family. It will be an exceptional evening.

For more information about Mark, see his website: <https://markbauerphotography.com/>

In other news, as part of our anniversary celebrations Amateur Photographer is featuring us in its "Join the Club" series of articles. Look out for the edition dated 12 April. The write-up will include photos by members and we need to send in a selection of our work. Submit up to three full sized images for consideration via PhotoEntry by 24 February.

On Tuesday, 21 January, the club will be competing in the SLF colour print Plate competition which is being held at West Wickham Photographic Society at 8:00 pm. See the link below for the address. A number of us are going, so why not join us to support the club and see work from other clubs.

Fancy a trip to photograph the dramatic landscape of Skye? The club is going there next month. Full details are on the forum.

## Club Matters

### Mobile Phone Competition – 22 January 2020

A reminder about the mobile phone image competition. Judged by Graham Land, the top image will receive a prize which I have donated. Entries, via PhotoEntry, close at midnight Monday, 20 January.
