

To all Croydon Camera Club Members

PHOTO 2014 – The club's 2014 annual exhibition

This event will be staged over the four weeks from Monday 17 March to Saturday 12 April at the Click Clock Gallery (the café) in the Croydon central library complex (the same venue as for PHOTO 2013).

Entries for all three exhibition categories (prints, DPI's and slides) must be received no later than the club on **Wednesday 15 January**, when we have a scheduled print competition to be judged by John Nathan.

Prints must be submitted for judging on 40x50cm card mounts, regardless of the actual picture size, as they will all be exhibited in frames that accommodate this size.

Exhibitors at PHOTO 2013 will already have such frames. New exhibitors will need to provide them. Further information on this will be given early in February, **but please wait for this before making any purchase.**

Entry forms for each category are attached.

If you intend to exhibit please follow the rules to the letter, particularly those relating to (a) JPEGs to accompany print entries – which must be in the usual 1024 x768 sRGB format used for our internal DPI competitions – and (b) the need for DPI entries to be submitted in TWO sizes (1024x768 and 1920x1080).

The 1920x1080 size is needed for projection on a TV screen at the exhibition. And please make sure that **all** JPEGs are copies of the final exhibition image, whatever its entry category, after all post-production.

Slide entries will be scanned after submission and suitable JPEGs produced from these scans. Any prints that have been produced by traditional darkroom means from film originals will be copied digitally to give JPEGs.

For the information of newer members and others who may be exhibiting for the first time, the need for 1024 x768 JPEG copies is to enable the exhibits to be projected at the awards evening on Wednesday 2 April, when the exhibition judge will be commenting specifically on the award- and certificate-winning exhibits.

If you have any question on any of the above or the exhibition rules, please ask a member of the exhibition committee - Nina Ludwig (chair), Wally Conquy, Chris Davis, Ron Barker, and myself.

Finally, to assist us in the planning for the exhibition judging, please acknowledge that you have received this email and whether or not you wish to exhibit in in the **print** category.
