3. Photographs in previous CCC *exhibitions* in any of these categories are **NOT** eligible. Those from previous CCC *competitions* **ARE**.

6. **Entry fee:** **£5** per set.
7. Images must be in **JPEG** best quality format and **sRGB** working space, whether colour or monochrome, **in two sizes** with respective **maximum** dimensions of **1024** pixels horizontal x **768** pixels vertical and **1920 x 1080**. (See *Guidance Note GN-DPI 2*).

Guidance Notes - DIGITALLY PROJECTED IMAGES (YELLOW)

Guidance Note GN-DPI 1 (Rule 5) Sets – Definitions The rules do not require any set or sub-set to have a specific theme, but experience suggests judges tend to favour those with a visual cohesion, or which are arranged or presented for projection in a cohesive manner. Entrants may find the following definitions of help.

Panel: a complete set or sub-set consisting of at least three **inter-dependent images with a recognisable theme or subject area**, which may be conveyed in an overall title if the entrant wishes.

Portfolio: a complete set or sub-set of **unrelated, stand-alone images** covering one or more subject areas.

Guidance Notes GN-DPI 2 and GN-DPI 3 (Rules 7 & 8 Preparing entries) Digital entries should be prepared as for the club's regular internal digital competitions - that is, as set out in the current competition rules booklet - but in the **two** sizes specified In addition to the guidance given in that booklet there is further information, if needed, on the club website. If you wish you may provide an overall title for your image set, or any sub-set.

If you have any questions about your entry, please ask a committee member.
